Thailand is Southeast Asia's *most visited destination*.

Thailand welcomed over 28 million international visitors in 2024, with India, UK, Europe, Australia and the USA consistently ranking among the top source markets. Bangkok, Phuket, Chiang Mai and Koh Samui form one of the world's most complete tourism ecosystems — from luxury urban hotels and world-class MICE infrastructure to beach resorts and cultural heritage experiences.

ORN is building a comprehensive Thailand contracting programme — securing preferential hotel rates, resort allocations, MICE venue partnerships and ground arrangements for the global agent and corporate travel market.

Priority Destinations for *Thailand Hotel Contracting*

ORN's Thailand contracting programme covers all four major destination zones — from Bangkok's urban luxury and MICE infrastructure to the beach resorts of Phuket, Koh Samui and Krabi, and the cultural capital of Chiang Mai.

What ORN Is *Looking to Contract*

We are actively seeking Thai hotel, resort, MICE venue and ground partners — focused on properties serving our India, UK, European, US and Australian source markets.

4 & 5-Star Hotel & Resort Rates

Direct net rates across Bangkok, Phuket, Koh Samui, Krabi and Chiang Mai. FIT and group structures. Static and dynamic/API connectivity. Peak and shoulder allocations.

MICE & Incentive Rates

Group rates for 10–500 pax incentive programmes. Dedicated ballroom and meeting room allocation. F&B packages, team-building inclusions and group transfer arrangements.

Ground, Transfers & DMC

Airport transfers, resort shuttles, island tours and cultural day programmes. Particularly required for Bangkok, Phuket (HKT) and Chiang Mai (CNX).

Leisure Packages & Experiences

Thai culinary experiences, temple tours, elephant sanctuaries, cooking classes, wellness and spa programmes — packaged for ORN's FIT and group leisure market.

API / Channel Manager Connectivity

Dynamic connections via REST/JSON API or existing channel manager. Static net rate contracts accepted. Sandbox and certification prior to go-live.

Preferred Partner Status

Priority placement across 80,000+ agents, co-marketing in India, UK, Europe, USA and Australia, and inclusion in all Thailand promotional programmes.
