ORN built *the infrastructure* travel deserved.

ORN — Orchestrated Rhythms of Nature — has built the operating system for intelligent travel. Orchestrating every flight, hotel, experience and journey on a single unified platform, powered by our proprietary **NX/OS** intelligence layer.

Backed by the **HCL Group** — a \$60 billion enterprise with a 226,000-strong global workforce across 200+ delivery centres — ORN has the operational scale, financial stability and technological depth to become the definitive platform for global travel.

Dubai is one of the world's *most visited destinations*.

• UAE MARKET OPPORTUNITY

India is consistently the **number one international source market** for Dubai, generating millions of visitor arrivals annually. ORN Group and TripFactory sit at the heart of that demand — operating one of India's largest B2B travel ecosystems, with over **80,000 active travel agent partners** booking hotels, packages and experiences for Indian travellers every single day.

We understand the current climate across the UAE hospitality sector. We want to be clear: **we are committed partners for the long term** — investing in product, promotion and relationships that deliver sustained, quality business through both the short-term recovery period and well into the future.
